

JOURNALISTS' VISIT AT DUSLO, A.S.

Agenda

Sala, Slovakia, 8 June 2017

Journalists' visit to Duslo, a.s is organised by the National Labour Inspectorate as one of the activities within the campaign Healthy Workplaces for All Ages. It takes place on 8 June 2017 at Duslo headquarters in Šaľa in the southwest of Slovakia.

The main purpose of the visit is to introduce Duslo with its social program focused on a better work-life balance and a plant site tour. Among the main topics discussed is the ageing workforce of the company - the average Duslo employee is aged over 45 years. The company recognizes the wealth of experience these older employees possess, but also acknowledges the increased risks associated with older workers. With its program, the company has successfully taken part in the Healthy Workplaces Good Practice Awards.
